Any complexities or forms not specifically mentioned above will be performed at a rate of \$225/hr. Most situations can be researched, prepared, discussed, and resolved within half to one full hour. We will proactively communicate ahead of time with you if we estimate the time required to exceed one hour.		
* This fee does not include gathering, performing accounting services, or categorizing income, expense or other financial information necessary for the preparation of the tax return schedule. Income, expense and any other required financial information must be provided in the appropriate summary form from your accounting/bookkeeping system. If accounting is required, a rate of \$175/hr will be charged.		
If complete information/documentation is <i>received between April 1, 2022 and April 10, 2022</i> , two options are available:		
1) A \$200 Deadline Rush Fee will be added to the invoice and the tax return will be prepared and filed by the IRS deadline		
2) Extension will be filed. If a balance due is expected, there will be a \$175 Fee to calculate the estimated payment due and extension. If no balance is expected with the information provided, an extension will be filed for \$125. The Tax Return will be prepared and filed after April 15th.
